

The Green One

Console

Modular case in matt heritage green finish with stained oak trim.
Full size oak bench with storage shelf, ergonomic footrest and curved front.
Conforms to AGO specifications.

Midi Hardware

Two 61-note Fatar keyboards with simulated tracker touch.
Reconditioned Oak pedal board with steel supports. Detachable.
Two oak swell pedals with new custom aluminium mechanism.
34 programmable thumb pistons.
Three solid brass foot pistons (two configured for midi, one to trigger page turns).
40 reconditioned Kimber Allen stop solenoids with Midi Gadgets Boutique stop control.
150 magnetic stop label holders with the most common stop names pre-printed. Template included for additional labels in Word format.

Audio Hardware

Headphone out socket located underneath keyboard shelf. Optional Audio pack consisting of Focusrite Scarlett 4i4 Interface and pair of Behringer Truth B2031A powered speakers. Audio pack includes balanced cables, sockets, plugs and installation. Advice on surround setups and high-end audio setups can be given according to budget, but the Behringer speakers are considered best 'bang-for-buck'.

Optional computer pack includes custom mATX PC built into the casework, optimised for real time audio and super-fast sample-set loading. ASUS motherboard, i7 265KF processor, GT1030 graphics and silent Noctua cooling. BeQuiet 550W power supply. 64GB RAM (upgradable to 128GB) and 2TB NVMe drive. Built in Wi-Fi & Bluetooth. Wireless keyboard and mouse. Windows 11 Pro optimised for real-time audio. Demo version of Hauptwerk Virtual Pipe Organ software. The user is expected to supply their own Hauptwerk licence for ongoing use. A collection of demo versions of popular organ sample sets is also included, configured for use with the console.

Screen

24-inch HD touchscreen Iiyama monitor. Console can operate with monitor switched off.
External USB socket and reset button located underneath the keyboard shelf.

Power

Built-in 5-gang remote-controlled power distribution. Allows for more flexible switching than single button power sequencer. The remote acts as a key for use in public spaces. A spare battery is included with the remote.

Lighting

Independently switched recessed LED light strips for pedalboard and music desk (warm tone). Desk lighting does not reflect in the computer screen at normal viewing angles.

Delivery & Installation

Free within 150 miles of Gloucester, UK. Beyond this, mileage will be charged by agreement.

Documentation

Comprehensive user manual and schematics, though most is covered by the Hauptwerk User Guide. Ongoing customer support.

Warranty

If problems cannot be solved remotely, the seller will provide 12 months on-site servicing. Travel expenses may apply.

Payment

As per the quote by bank transfer.
Delivery will be arranged on confirmation of cleared funds.

Dimensions

Height 180cm.
Width 142cm (at table height) or 150.5cm (at the widest part of the cornice).
Depth 64cm (table) or 113cm (including pedalboard).

About

Forest Organs is based in the Forest of Dean near Gloucester.
The aim is to provide high quality instruments that also look fabulous as furniture.
Consoles are typically manufactured using a mix of new and meticulously reconditioned parts.
In this way best value can be achieved without compromising reliability, playability or finish.
Commissions are welcome. Please email for further information.
